CALL FOR ABSTRACTS AND SUBMISSION DEADLINE

ENTMA is an international network involving a broad range of disciplines and stakeholders across health, social care, education and related sectors who are engaged in, or associated with, designing, delivering, regulating, evaluating, researching or commissioning training. The bi-annual ENTMA symposium is the longest running European conference event that specifically addresses issues related to training in the management of aggression and violence.

The 2025 international ENTMA Symposium will take place in the **Medical College, Prague**, Czech Republic on the theme of “**Co-creating Safety in Training**”. The co-produced programme includes internationally recognised **keynote speakers**, **interactive workshops** addressing co-production, de-escalation, challenges in special populations, interactive **practical workshops** including personal safety strategies, and a **special workshops** on the International Safety Pod.

We are **delighted to invite abstracts** for concurrent **30-minute presentations** as a key part of the symposium, and **especially welcome** abstracts related to ‘**Co-Creation**’ ‘**Safety**’ or ‘**Training**’ aligned with the symposium theme. The revised **deadline for submission of 31st August 2025***.

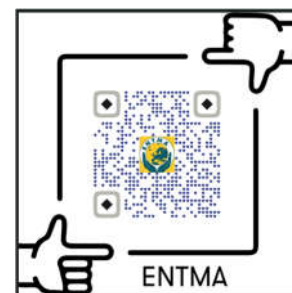

The **ENTMA** symposium offers an exceptionally high-value **package** which includes:

- **Symposium attendance:** Wednesday 5th (5p-8p) Thursday 6th (9a-5p) & Friday 7th Nov (9a-3p).
- **All lunches and refreshments** during symposium
- **Pre-Symposium welcome and networking supper** on Wednesday 5th November in Prague city.
- **Symposium Gala Dinner** on Thursday 06th November in central Prague.

A special **Early Bird Rate of €349.00*** which includes all the above is available to those who register before **September 28th 2025** and the regular symposium rate of **€419.00** will apply to all registrations **after September 29th**

Please note registration does not include accommodation. **Discounted Hotel Rates** are available however, with additional stay possible at symposium rate.
